Movie: Pirates of the Caribbean

Type in Motion Project
Prof.: Rodrigo de Toledo

Dialogue and type action:

MULLROY: YOU'VE SEEN A SHIP WITH BLACK SAILS...

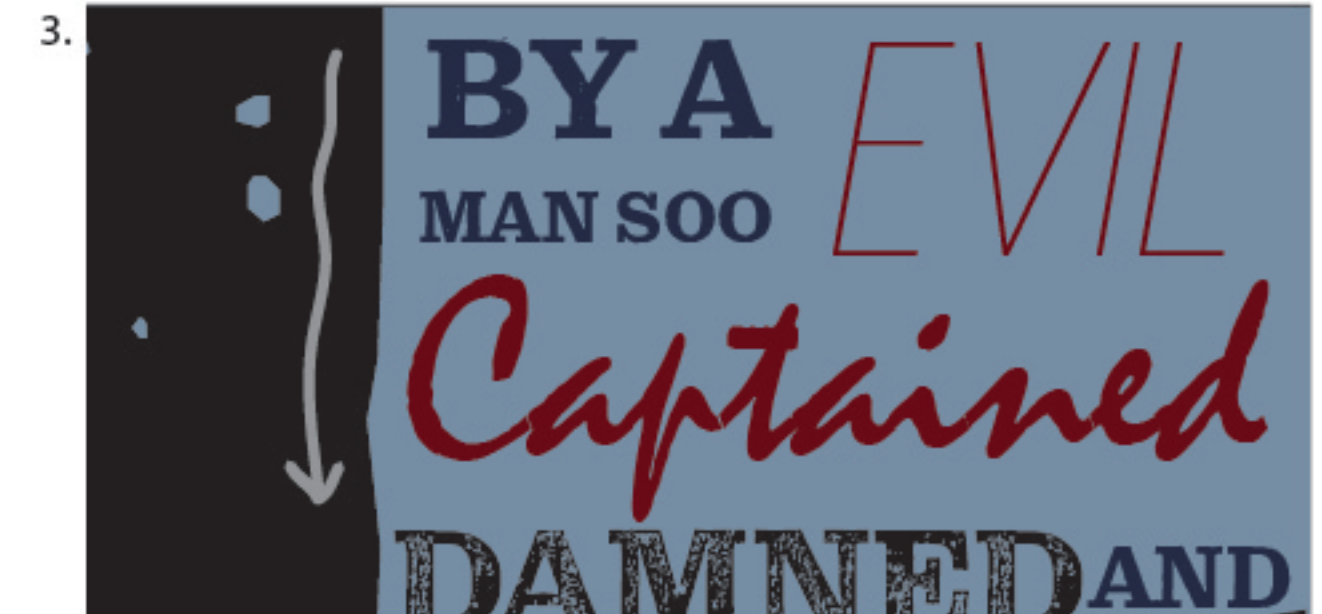

The first few words slide in from the bottom, bouncing slightly before settling into place, then 'BLACK SAILS' fades in and waves back and forth as if in the wind.

Dialogue and type action:

MULLROY: ...THAT'S CREWED BY THE DAMNED...

We zoom in on the 'L' from the previous frame, and 'THAT'S CREWED' slides in from the top right along the 'L'. Then, 'BY' drops in and 'THE' slides into the remaining space. 'DAMNED' drops in from above as we scroll upward along the 'L'.

Dialogue and type action:

MULLROY: ...AND CAPTAINED BY A MAN SOO EVIL...

We move upwards slowly as 'Captained' is drawn onto the screen in a rough cursive font and the remaining words fall in from above, stacking on top. 'SO' is drawn out with one additional 'o' and 'EVIL' is italicized and has the tracking increased to accentuate the audio.

Dialogue and type action:

MULLROY: THAT HELL ITSELF SPAT HIM BACK OUT?

'HELL' is very large, dark, and bold in the bottom right corner. It stretches and then squeezes in the middle, expelling 'HIM' onto the screen, which then spirals off into the distance, away from the screen.

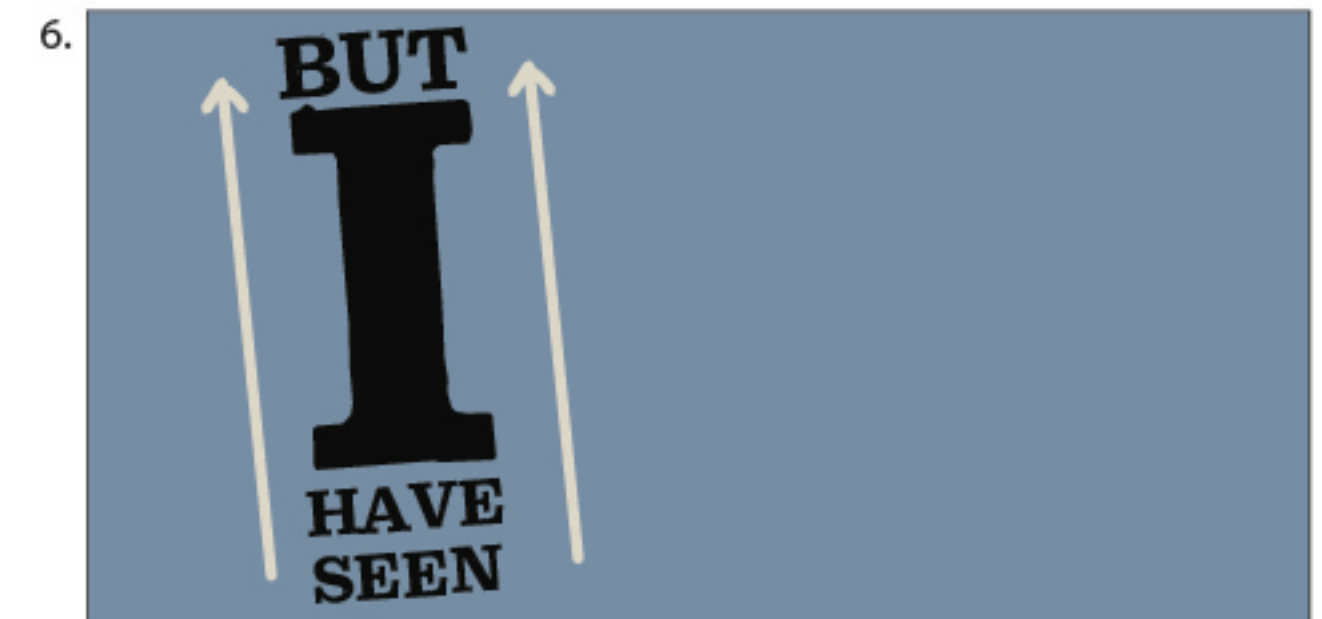

Dialogue and type action:

MURTOGG: NO.

MULLROY: NO.

The first 'NO.' is smaller and lower, appearing in the bottom right corner. The second 'NO.' is larger, higher, and appears in the top left of the screen. The first fades in, the second pops in.

Dialogue and type action:

MURTOGG: BUT I HAVE SEEN A SHIP WITH BLACK SAILS.

Everything up to 'BLACK SAILS' fades in one letter at a time, as if being typed onto the screen. Then, 'BLACK SAILS' comes in to the right, like in the first frame, and whips back and forth once before settling into place.

7. OH? AND NO
SHIP THATS NOT

Dialogue and type action:

MULLROY: OH? AND NO SHIP THATS NOT CREWED
BY THE DAMNED AND CAPTAINED BY A MAN SO
EVIL THAT...

The words slide in and bump up against one another,
picking up speed going as we go through the words.

8. HELL ITSELF
SPAT
HIM BACK OUT

Dialogue and type action:

MULLROY: ...HELL ITSELF SPAT HIM BACK OUT
COULD...

the text slides in and runs into the other words (as with the
previous frame. 'SPAT' is large and pops in faster than the
rest, without sliding in from the side.

9. BLACK
SAILS

Dialogue and type action:

MULLROY: ...POSSIBLY HAVE BLACK SAILS AND
COULDN'T...

The 'POSSIBLY' pops in, very big and bold, taking up more
than 1/4 of the screen, then 'HAVE' comes in the same way
as the other words have been. Then, 'BLACK SAILS' stamps
on the screen, and we zoom out quickly as it comes on.

10. POSSIBLY
BE ANY OTHER
SHIP THAN THE

Dialogue and type action:

MULLROY: ...POSSIBLY BE ANY OTHER SHIP THAN
THE BLACK PEARL

Similar to the previous frame, where 'POSSIBLY' pops in
large and bold, then the remaining text continues sliding in
and bumping into each other. The speed is continually
increasing as the speed of the dialogue increases.

11. IS THAT
WHAT YOU'RE
SAYING?

Dialogue and type action:

MULLROY: S THAT WHAT YOU'RE SAYING?

These words, rather than sliding on, just pop onto the
screen quickly and punctually. No fading or sliding in this
frame. We pause briefly on this frame.

12. CREWED
BY THE DAMNED CAPTAINED BY A
MAN
SO EVIL HELL ITSELF COULD
AND THAT SPAT HIM BACK OUT HAVE
COULDN'T POSSIBLY
BLACK BE ANY OTHER
SHIP THAN THE
SAILS BLACK
PEARL
IS THAT
WHAT YOU'RE
SAYING? NO.

Dialogue and type action:

MURTOGG: NO.

We zoom out to reveal the shape of a ship, defined by the
last several frames of text, stacked on top of each other.
'NO' fades in softly to the right as the ship settles into its final
position on the left of the screen. (Some camera movement
here might achieve the desired rotation effect).
